

Astronomy Chords by Metallica

Difficulty: intermediate

Tuning: E A D G B E

CHORDS

Tune down 1/2 step

[Chords]

Em 022000

D xx0232

C x32010

G 320003

[Power Chords] (I prefer to play open on acoustic)

E5 x799xx

C5 x355xx

D5 x577xx

B5 x244xx

[Verse]

Em **D** **C** **B5** **Em**
Clock strikes 12 and moondrops burst, out at you from their hiding place.
Em **D** **C** **B5** **Em**
Like acid and oil on a madmans face, his reasons tend to fly away
C **G** **C** **B5**
Like lesser birds on the 4 winds, yeah, like silver scrapes in may
Em **D** **C** **B5** **Em**
Now the sands become a crust, and most of you have gone away

[Verse]

Em **D** **C** **B5** **Em**
Come Suzie dear lets take a walk, just out there upon the beach
Em **D** **C** **B5** **Em**
I know you'll soon be married, and you'll want to know where winds come from
C **G** **C** **B5**
Well its never said at all, on the map that Carrie reads
Em **D** **C** **B5** **Em**
Behind the clock back there you know, at the 4 winds bar

(now it goes into the distorted part)

E5 **C5** **D5** **E5** **E5** **C5** **D5** **E5**
HEY HEY HEY HEY

[Verse]
