Right outside your

Am F
Where the road is

Am C G C
That's the place for me

G Dm
Where I'm me in my own space

G F
Where I'm free that's the place

E E
I wanna be

Am G
'Cause the road is long yeah

Am Bb
Each step is only the beginning

Am G
No breaks just heartaches

Am Bb
Oh man is anybody winning

It's a long road...
